

# ITRAF

**INTERNATIONAL TAX RESEARCH  
AND ANALYSIS FOUNDATION**

[www.itraf.org](http://www.itraf.org)

# ITRAF

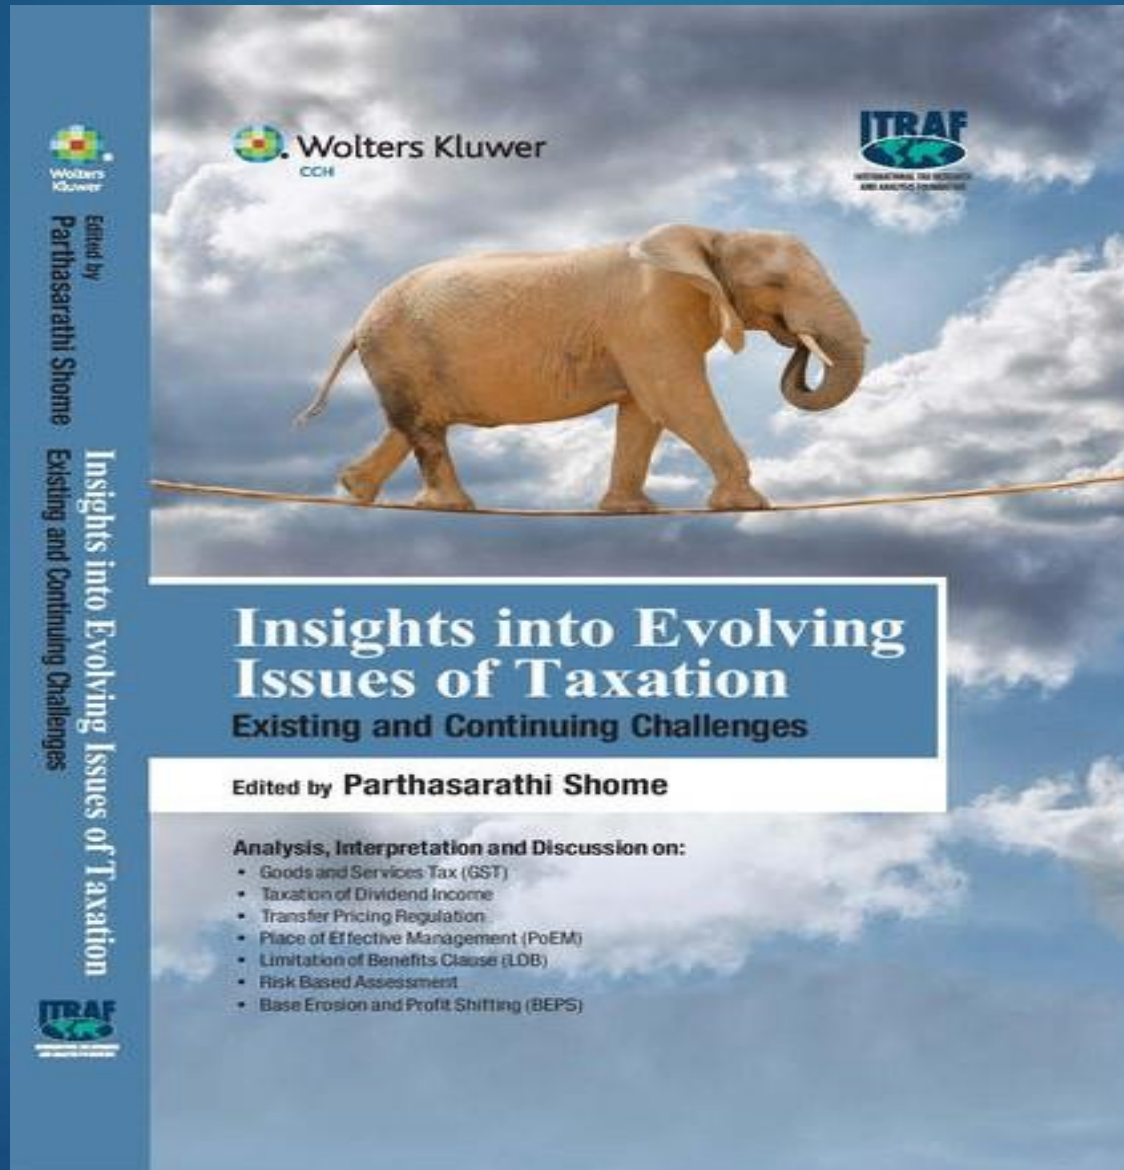

2

- ❖ ITRAF is a forum for tax policy research and analysis.
- ❖ It makes recommendations on international tax matters to improve the tax ecosystem.
- ❖ It is led by tax economists, lawyers and accountants from business and academia.
- ❖ It focuses on principles of efficiency, equity, certainty, and harmony among tax administration and taxpayer.

- ❖ ITRAF publications are recognised in India and internationally.
- ❖ It has published four volumes listed in its website [www.itraf.org](http://www.itraf.org).
- ❖ They are available on Amazon and Kindle.
- ❖ Its conferences are held in India and abroad.

February 8, 2020**

# Foreward....Judith Freedman

21

- ❖ “In this volume lies a treasure trove of chapters...from leading academics and participants with a special knowledge of Indian and international taxation from an Indian perspective”
- ❖ “The major role being played by India in ongoing international tax debates at the OECD, G20 and UN makes this an important collection of papers for readers in India and beyond, and an excellent starting point for anyone wishing to know about the likely tax issues of 2020.”
