CHAPTERS

1. Thrust of the Volume's Analysis — <i>Parthasarathi Shome</i>	1
--	---

DIGITAL ECONOMY, ITS FORM AND TAXATION

2. What Comprises the Digital Economy? Global Challenges Going Forward — <i>Shikha Mehra and Rohit Roy</i>	13
3. Challenges in the Design of Digital Taxation in India — <i>Alok Prasanna Kumar and Vinti Agarwal</i>	23
4. Value Added Tax/Goods and Services Tax in the Digital Era — <i>Krupa Venkatesh</i>	39

TAXATION OF CAPITAL AND ITS AVOIDANCE

5. Addressing Tax Avoidance: Cross Country Experience and an Indian Case Study — <i>Parthasarathi Shome</i>	61
6. GAAR: Can Legitimate Tax Planning Survive? — <i>PVSS Prasad</i>	85
7. Legislative Over-Activism as Cause of Business Uncertainty — <i>Saurav Bhattacharya</i>	105
8. Capital Gains under Indian Tax Treaties in the Post BEPS Era — <i>Nigam Nuggehalli</i>	135

9. Place of Effective Management: Domestic and International Perspectives — <i>Mukesh Butani and Ashrita Prasad Kotba</i>	155
10. Taxation of Capital: Angel Tax on Closely Held Companies — <i>S Krishnan</i>	169
11. A Comprehensive Overview of Shifts in International Taxation — <i>K R Girish</i>	199

Detailed Contents

Chapter 1. Thrust of the Volume's Analysis	1
DIGITAL ECONOMY, ITS FORM AND TAXATION	
Chapter 2. What Comprises the Digital Economy? Global Challenges Going Forward	13
I. Introduction	13
II. Network Value and Traditional E-commerce models	14
III. Effect of Blockchain on User Transactions and Taxation	17
IV. Significant Economic Presence and Business Connection	19
V. Conclusion	21
Chapter 3. Challenges in the Design of Digital Taxation in India	23
I. Introduction	23
Characterization of Income	24
Establishing Nexus to Tax Digital Economy	25
Attributing Profit to Permanent Establishment	25
II. Role of International Organizations in Taxing Digital Economy	26
OECD's Efforts in Taxing Digital Economy	26
1. Develop a new nexus based on the concept of significant economic presence	27
2. A withholding tax on digital economy	27
3. Introducing an equalization levy	28
UN's Efforts in Taxing Digital Economy	28
EU's Efforts in Taxing Digital Economy	29
III. Unilateral Measures taken by India	30
Equalization Levy	30
1. Ambiguous nature of the levy	31
2. Uncertainty with respect to the imposition of the levy	31
3. Limited scope of the levy	32
4. The problem of double taxation	32

Significant Economic Presence	33
Tax Implications by Introducing Proposed Data Localization Norms	35
IV. Recommendations and Way Forward	36
Chapter 4. Value Added Tax/Goods and Services Tax in the Digital Era	39
I. Introduction	39
II. Categorization of Digital Services	40
Categorization of Services Based on Mode of Delivery – From a Customer’s Vantage Point	40
1. Digital services - order to fulfillment	40
2. Hybrid – online order and offline fulfillment	41
Categorization Based on Status of Recipient of Services	41
1. Business-to-business or B2B	41
2. Business-to-customer or B2C	41
3. Peer to peer	41
III. Digitalization – What it means for VAT/GST Levy and Collection	41
Challenges in Charging VAT/GST on Digital or Electronically Supplied Services (ESS)	42
1. European Union (EU)	42
2. Australia	42
3. India	42
4. Japan	43
5. South Africa	43
Classification of Disputes in Digital Services	43
1. <i>Asociación Profesional Elite Taxi v. Uber Systems Spain SL</i>	44
2. <i>Skype Communications Sarl v. Belgian Institute of Postal Services and Telecommunications (IBPT in French)</i>	44
Taxing Digital Supplies – The Jurisdiction Issue	45
VAT/GST Collection and the Hybrid Model – Role of Marketplaces/ Platforms in Tax Collection	47
1. Types of hybrid model	47
2. Evolution of the legislative framework for VAT/GST collection in hybrid model	47

3. OECD guideline on the role of digital platforms in the collection of VAT/GST on online sales	49
4. VAT/GST collection in the peer to peer model	51
IV. Digitalization and its Effect on Collection of Customs Duties	52
Principle I – Advance Electronic Data and Risk Management	52
Principle II – Facilitation and Simplification	53
Principle III – Safety and Security	53
Principle IV – Revenue Collection	53
Principle V – Measurements and Analysis	53
Principle VI – Partnerships	54
Principle VII – Public Awareness, Outreach and Building Capacity	54
Principle VIII – Legislative Frameworks	54
V. Conclusion	57

TAXATION OF CAPITAL AND ITS AVOIDANCE

Chapter 5. Addressing Tax Avoidance: Cross Country Experience and an Indian Case Study	61
I. Introduction	61
II. Cross-country General Anti-Avoidance Rules (GAAR)	63
Different Characteristics in Advanced Economies	63
1. An early, broad-spectrum GAAR	63
2. A late entry, narrowly focused GAAR	63
3. Absence of any GAAR	64
Grouping Emerging Economies	65
1. Brazil	65
2. China	67
3. South Africa	68
III. India: A Case Study	69
GAAR: Introduction, Revision and Reintroduction	69
1. Acceptance of committee recommendations	71
2. Setting aside committee recommendations	72
3. Presumption of purpose	73

4. Presumption of purpose for entire arrangement if main purpose of a step is for obtaining tax benefit	73
Example of Tax Avoidance: Indirect Transfers	74
Retrospective Application	75
Search and Seizure and Taxpayer Rights	77
Tax Efficiency, Avoidance and Evasion: A Retrospective	79
IV. Conclusion	81
Chapter 6. GAAR: Can Legitimate Tax Planning Survive?	85
I. Introduction	85
II. Early Jurisprudence and the Judicial Doctrines	86
III. Early GAAR Jurisdictions	89
Australia	89
New Zealand	90
Canada	91
South Africa	91
United Kingdom	92
United States of America	92
IV. GAAR Legislation in India	92
The Backdrop	92
V. Provisions & Rules - Chapter XA	94
VI. Issues and Challenges	100
Shifting Initial Burden of Proof Back to Taxpayer	100
Principal Purposes Test (PPT) Versus GAAR	101
VII. Does Legitimate Tax Planning Survive under GAAR Regime?	102
VIII. Conclusion	103
Chapter 7. Legislative Over-Activism as Cause of Business Uncertainty	105
I. Introduction	105
II. Gift Tax and its Interpretations	105
III. General Anti-Avoidance Rules (GAAR)	110
IV. Specific Anti-Avoidance Rules (SAAR)	113
Capital Gain on Transfer of Shares now Taxed in Country where the Company is Registered	113
Buyback Taxation	113

Tax on Notional Capital Gain on Transfer of Shares and Tax on Recipients	114
Indirect Transfer	115
1. Capital asset	116
2. Transfer	116
3. Accrual of gains	117
4. Computation methodology	117
5. Reporting obligation	117
6. It is costly to restructure	118
7. Place of effective management (POEM)	119
V. Base Erosion and Profit Shifting (BEPS)	123
The Digital Economy	126
Ever Increasing Reporting Requirement	127
VI. Significant Economic Presence (SEP)	129
VII. Conclusion	132
Chapter 8. Capital Gains under Indian Tax Treaties in the Post BEPS Era	135
I. Introduction	135
II. Tax Treaties and Capital Gains: The Residence State Favouring Model	137
III. The Indian Capital Gains Provisions	139
IV. The Problem with Indirect Transfers and Tax Treaties: <i>M/s. Sanofi Pasteur Holding SA v. Department of Revenue</i>	141
V. Capital Gains under DTAA's: The Post BEPS and the Post GAAR Scenario	146
VI. Conclusion	150
Chapter 9. Place of Effective Management: Domestic and International Perspectives	155
I. Introduction	155
II. Place Of Effective Management: Meaning under Domestic Law	157
Corporate Residence: Prior to POEM	157
POEM in the Indian Domestic Law Scenario	158
Analysis of the POEM Test	160
III. Place of Effective Management: Role in Tax Treaties	161
Indian Judgments on POEM in Tax Treaties	161

	POEM as a Tie-Breaker Rule	162
	OECD and UN Approach on Residency Conflicts	163
	Case Study: India – United States of America	164
	Case Study: India – Mauritius	165
	Case Study: India – Singapore	166
	Case Study: India – South Africa	166
	Case Study: India – Netherlands	167
	Case Study: India – United Kingdom	167
	IV. Conclusion	168
	Chapter 10. Taxation of Capital: Angel Tax on Closely Held Companies	169
	I. Introduction	169
	II. What is Capital?	169
	Should Capital be Taxed?	169
	Should Capital Income be Taxed?	170
	III. Summary	171
	IV. The Role and Design of Net Wealth Taxes in the OECD	172
	V. Wealth Tax in India	173
	VI. Provisions of Model Tax Conventions on Taxation of Capital	174
	VII. Taxation of Share Premium Received by a Closely held Company in India	177
	VIII. Accounting Treatment of Share Premium	177
	IX. Provisions of The Income-Tax Act, 1961 relating to Angel Taxation	178
	X. Changes in the Imposition of Angel Taxation	182
	Introduced in May 2017	182
	Introduced in April 2018	184
	Protests by Industry Bodies and Startup Companies	186
	Introduced in January 2019	188
	Introduced in February 2019	190
	Summary of changes in the Notifications issued by the DPIIT and the CBDT Regarding Angel Tax Exemption	192
	Introduced in August 2019	193
	Ease of Tax Assessment of Startups	193
	XI. Consequences of Angel Taxation	194
	XII. Conclusion	197

Chapter 11. A Comprehensive Overview of Shifts in International Taxation	199
I. Introduction	199
II. Historical Context to Tax Treaty Model Conventions	201
League of Nations – Organisation Resolving International Disputes	202
Bilateral Tax Treaty Models Developed by LoN	202
III. OECD and UN Model - On Resident and Source Based Taxation	203
Model Tax Conventions	203
OECD Model Convention	203
UN Model Convention	203
<i>OECD vs UN</i> – UN More Akin to Sourced Based Taxation	204
IV. BEPS Recommendations – Strengthening Source Based Taxation	206
Action Plan 1 on Addressing Tax Challenges of the Digital Economy	208
Action Plan 3 on Controlled Foreign Company ('CFC') Rules	209
Action Plan 6 on Preventing Treaty Abuse	209
Action Plan 7 on Prevention of Artificial Avoidance of PE Status	210
Action Plan 8, 9 and 10 on Intangible, Capital and High Risk Transaction	211
Action Plan 13 on Re-Examine Transfer Pricing Documentation	212
V. Source-Based Taxation in the Era of Digital Commerce	213
International Tax Rules on Digitization – Recent Developments	214
Virtual Permanent Establishment	215
More on BEPS Action Plan 1 – Addressing Tax Challenges of the Digital Economy	216
Indian Taxation Regime	218
1. CBDT released e-commerce taxation committee report	218
2. Insertion of Chapter VIII in the Finance Act, 2016 on equalisation levy	219
3. Application of the double tax avoidance agreement with equalisation levy	219

4. Tax implications in the hands of a foreign company	219
5. Introduction of "significant economic presence" that constitutes "business connection" under the act	220
6. CBDT proposal on profit attribution to permanent establishment and significant economic presence	221
VI. Indian Scenario – Source-Based Taxation under Domestic Tax Laws	221
VII. Indian Tax Treaties	223
VIII. Domestic Tax Law	223
What Constitutes Indirect Transfer?	223
Indirect Transfer – Tax Conventions and Relevant Articles	224
1. UN model convention	224
2. OECD model convention	225
3. Indian DTAA	225
Shome Committee Report and Recommendations on Indirect Transfer	225
IX. Historical Background of Section 195 of the Act	228
X. Conclusion	230
XI. Recommendations	230
